any request, including technical
training and customer support.

EXPERIENCE

more than 30 years
manufacturing history

EXCELLENCE

made in Italy and OEM
approved

FLEXIBILITY

available to evaluate any special
request or custom solution.

WHY

The logo for ATIB ELETTRONICA features the word "ATIB" in a bold, white, sans-serif font. A small yellow triangle is positioned at the top of the letter "A". To the right of "ATIB", the word "ELETTRONICA" is written in a smaller, white, sans-serif font. The entire logo is centered within a circular graphic composed of several concentric, semi-transparent grey rings that are broken into segments, creating a dynamic, gear-like or circuit-like appearance.
